**CUSTOM DECALS**

**WE PRODUCE A VARIETY OF CUSTOM DECALS FOR SPECIFIC APPLICATIONS FOR THE PORTABLE SANITATION, WASTE REMOVAL AND LIQUID WASTE INDUSTRY.**
**ALL OF OUR DECALS ARE SCREEN PRINTED WITH DURABLE HIGH QUALITY INKS.**

**HI-TAC DECAL**
This decal is specifically designed for vinyl or plastic surfaces. It is available in white or clear. It features a very Hi Tac adhesive that becomes permanent when applied to vinyl and plastic materials.

**DOUBLE ADHESIVE DECAL**
This decal has a double coat of adhesive that gives the best results for a firm grip on rough or textured surfaces.

**GENERAL PURPOSE DECAL**
It is an excellent decal for smooth surfaces such as windows or other smooth applications. It is available in white or clear.

**REFLECTIVE DECALS**
Our Reflective decals are screen printed with the highest quality transparent inks for maximum visibility and outdoor durability.

**LAMINATION**
The life of your decal can be enhanced by adding protective lamination, which we highly recommend. With a minimal additional cost lamination maximizes the outdoor life expectancy of decals, providing added value to your advertising investment.

COLORS
We offer a selection of 25 standard opaque colors. We can match any color sample or PMS number other than our 25 standard colors. EXACT COLOR MATCH CANNOT BE GUARANTEED, including PMS colors. We offer 8 STANDARD TRANSPARENT COLORS for reflective signs or decals. Metallic gold or silver inks printed on decals require lamination, and on plastic signs require a clear coat. We do not match colors to computer screen colors, only to physical color samples.

DIE CUT SHAPES
A variety of stock shapes are available for various products listed. Custom shapes require a one-time die charge. Signs - $250 to $475. Decals - $150 to $275. Contact us for an exact quote. Prices vary based on complexity and size of the custom shape.

BORDERS The minimum width for a border is 3/16” to the edge for decals and 1/4” for signs.

ART PREPARATION
Art is charged at $60.00 per hour and is pro-rated for the actual time spent on your layout. You can supply a rough sketch or drawing, or send computer generated art. We are Mac based, however we can accept PC files in specific formats.

COMPUTER GENERATED ARTWORK Providing a vectorized version of your logo or art can avoid an art charge. Allow 1-2 working days for your proof. When your proof is approved allow 15 to 20 working days for production

If your artwork does not meet this criteria additional art charges may apply.

FILM CHARGE There will be a one-time charge per item on new or revised art, whether our art department designs the art or is designed by the customer.

DELIVERY
A new order normally takes 3 to 4 weeks. For re-orders allow 15 to 20 days for production and 2 to 7 days for regular UPS shipping.

OVER RUNS OR UNDER RUNS of 5%-10% are the industry standard. High quantity printing typically yields a total number of units that is slightly higher (over run) or lower (under run) than ordered. SOME OVER RUN OR UNDER RUN SHOULD BE EXPECTED WITH EVERY ORDER. The total price charged will reflect the total number of units delivered.

COPY CHANGES – If you require a different phone number or name, etc. on your signs or decals, you may combine the two or three together for a quantity price.

PAYMENT TERMS
Credit Card - J.C. Gury accepts Visa, Mastercard, American Express and Discover. THE CARD IS CHARGED AT THE TIME THE ORDER IS PLACED. Any adjustments to quantity or freight costs will be adjusted at the time of shipment and charged or refunded to your credit card.

Check - We accept company or personal checks for the full amount of the order. You can obtain the order total from your customer service representative. This includes freight and over-runs.

We do not accept C.O.D.

CANCELLATION
Cancellation of an order for any reason, will result in a MINIMUM CHARGE OF $50.00. The actual cancellation fee will be based on how far into production the order is.
