ORDERING INFORMATION

COLORS

We offer a selection of 25 standard opaque colors. We can match any color sample or PMS number besides our 25 standard colors. **EXACT COLOR MATCH CANNOT BE GUARANTEED**, including PMS colors. We offer 8 STANDARD TRANSPARENT COLORS for reflective signs or decals. Metallic gold or silver inks printed on decals require lamination, and on plastic signs require a clear coat. We do not match colors to computer screen colors, only to physical color samples.

DIE CUT SHAPES

A variety of stock shapes are available for various products listed. Custom shapes require a one-time die charge. Signs - \$250 to \$475. Decals - \$150 to \$275. Contact us for a quote. Prices vary based on complexity and size of the custom shape.

BORDERS The minimum width for a border is 3/16" to the edge for decals and 1/4" for signs.

LAMINATION

Our standard door nameplate comes with clear gloss mylar lamination. We also offer a laminate that adds to outdoor durability, which is called **TUF-COTE**.

ART PREPARATION

Art is charged at \$60.00 per hour with 1 hour being our minimum. You can supply a rough sketch or drawing, or send computer generated art. We are Mac based, however we can accept PC files in specific formats.

COMPUTER GENERATED ARTWORK Providing a vectorized version of your logo or art can avoid an art charge. Allow 1-2 working days for your proof. When your proof is approved allow 15 to 20 working days for production

FILM CHARGE There will be a one-time charge per item on new or revised art, whether our art department designs the art or is designed by the customer.

DELIVERY

A new order normally takes 3 to 4 weeks. For re-orders allow 15 to 20 days for production and 2 to 7 days for regular UPS shipping.

OVER RUNS OR UNDER RUNS of 5%-10% are the industry standard. High quantity printing typically yields a total number of units that is slightly higher (over run) or lower (under run) than ordered. **SOME OVER RUN OR UNDER RUN SHOULD BE EXPECTED WITH EVERY ORDER.** The total price charged will reflect the total number of units delivered.

COPY CHANGES – If you require a different phone number or name, etc. on your signs or decals, you may combine the two or three together for a quantity price.

PAYMENT TERMS

Credit Card - J.C. Gury accepts Visa, Mastercard, American Express and Discover. **THE CARD IS CHARGED AT THE TIME THE ORDER IS PLACED.** Any adjustments to quantity or freight costs will be adjusted at the time of shipment and charged or refunded to your credit card.

Check - We accept company or personal checks for the full amount of the order. You can obtain the order total from your customer service representative.

This includes freight and over-runs.

We do not accept C.O.D.

CANCELLATION

Cancellation of an order for any reason, will result in a MINIMUM CHARGE OF \$50.00. The actual cancellation fee will be based on how far into production the order is.
