We offer 8 STANDARD TRANSPARENT COLORS for reflective signs or decals. Metallic gold or silver inks printed on decals require lamination, and on plastic signs require a clear coat. We do not match colors to computer screen colors, only to physical color samples.

DIE CUT SHAPES

BORDERS The minimum width for a border is 3/16" to the edge for decals and 1/4" for signs.

COMPUTER GENERATED ARTWORK Providing a vectorized version of your logo or art can avoid an art charge. Allow 1-2 working days for your proof. When your proof is approved allow 15 to 20 working days for production

If your artwork does not meet this criteria additional art charges may apply.

FILM CHARGE There will be a one-time charge per item on new or revised art, whether our art department designs the art or is designed by the customer.

DELIVERY

A new order normally takes 3 to 4 weeks. For re-orders allow 15 to 20 days for production and 2 to 7 days for regular UPS shipping.

SOME OVER RUN OR UNDER RUN SHOULD BE EXPECTED WITH EVERY ORDER. The total price charged will reflect the total number of units delivered.

COPY CHANGES – If you require a different phone number or name, etc. on your signs or decals, you may combine the two or three together for a quantity price.
